Time: 9 am

Starting from Washington's Landing on Herr's Island, we will meet under the 31st Street Bridge, across from Redfin Blues. The trip will take us down the Three Rivers Heritage Trail and across a few bridges, into and out of downtown. We will go through downtown to the Eliza Furnace Trail and cross over to the Southside. The round trip is approximately 15 miles of easy grades and will take less than 2 hours. This is on Sunday morning so there should be minimal traffic. Afterwards we can stop for a light brunch at Redfin Blues.
