After the pre-crawl happy hour, we will leave Grille 36 and start our tour of several of the better establishments located within the North Shore area. If you haven't explored this part of Pittsburgh lately, you might be surprised how it has evolved within the past 5 years. The schedule and specials is currently not set, but will be presented at the start of the crawl along with a schedule of stops along the way. If you don't want to join the crawl, you could always explore the casino after the happy hour.

You must be 21 years of age or older to participate in this event. You may also be asked to provide proper identification at each participating bar.

Do Not Drink and Drive! You are responsible for your behavior and actions, not PSC and not the places we visit. If you behave badly you will be required to leave.
