The ship has 15 cozy passenger cabins with twin & double bed cabins. Each cabin has a window, private shower & toilet. The below deck cabin area is air-conditioned. The upper deck contains an open sundeck and the main salon and bar where all meals will be served.

Our host is Captain Anton who is supported by a crew of four stewards and a cook. You will be served three hearty and delicious meals each day including a hot lunch and multi course dinner. The boat remains in each port overnight so there is no motoring to disturb your sleep.
