Cost: \$20 for Members and \$40 for Non-members

Our Summer Training Series this year will spin around the in-line skating skill development and skill transfer to alpine skiing. The introductory, May session, will be oriented towards the less experienced skaters to give them a boost-start for the series. We'll be pretty much skiing - just using skates - and maybe learn some of the Double Push technique, if we get there this year. Slalom training and 1-15 mile trail skating will dominate our sessions. Trail skating is open to experienced skaters only but novices will find a place to hone their skills in the meeting area, too. NOTE: SKATE RENTALS ARE NOT AVAILABLE.
