We added a little bit of country to our annual square dance. Not only will we have a square dance caller but PSC club member Linda Francis will teach you how to do a few line dances. Linda has been teaching line dancing in the Pittsburgh area for years. Even if you do not know how to square or line dance, this is the place to be. As always, there will be snacks and beverages, all we need is you. We purchased an additional fee to serve more than just soft drinks. Come alone or bring a friend or two, you will have plenty of fun.
