Join your fellow PSC friends at one of Carnegie's newest establishments. Apis Meadery opened in July 2014 and serves up mead, one of the world's oldest alcoholic beverages. In ancient times mead, which is based on honey, water, and yeast, was revered as the nectar of the God's. **So come out and try some for yourself.** Enjoy a Mead Flight and taste 6 different flavors of mead.

The atmosphere is casual. **The Meadery does not serve food but light snacks will be provided. And you are also welcome to bring your own food or order food from one of the local restaurants in Carnegie (menus are provided). OR let's have a "pot luck" gathering with everyone bringing something to eat and sharing. Contact Lisa if interested in the "pot luck".**
