The PSC is again teaming up with "See The World Tours" at its Pittsburgh's "Pub of the Month" location for a get-together. You can just socialize with your PSC friends or meet "past and future travelers" and get the latest info on non-ski trips sponsored by this travel group. Rock Bottom's Happy Hour is from 4-6:30 pm so feel free to get there earlier if you like.

Directions: At the Waterfront--Under the Homestead Grey's Bridge.
