Come on out and experience a new and exciting way to see the Burgh on a 2-hour tour. This is a fun, safe, and friendly way to get some light exercise and fresh air while touring interesting parts of the town on a big Dutch-made bike. We will be the motor, while the Pedalers' drivers steer and brake! The Pedaler can accommodate up to 16 passengers -- 10 pedaling seats, 1 non-pedaling seat over each of the rear wheels, a 3-seat bench in the back of the Pedaler, and 1 standee spot in the middle. During the tour, we will probably make 2 stops along the way to wet our whistle. The Pedaler is also wired for music. **More details and a Liability Waiver will be supplied upon sign up.**

Mail Coupon to Contact w/check payable to PSC (+ a self-addressed stamped envelope if you did not provide an email address)

Directions: Carnegie Science Center is located across the street from Heinz Field.
