Come by boat, by car, bicycle, or just walk over to Redfin Blues to relax and enjoy the warm breeze as you sit on the deck overlooking the Allegheny River on Pittsburgh's only North Shore waterfront grill. Redfin's menu is filled with many mouthwatering dishes; check out their menu. There is free parking in their lot. After you finish with your dinner, consider taking a walk along the river, or just relax and enjoy friends over beverages. ***For those that want to bike ride, the trail starts at Redfin parking lot.***

Over 70 PSC'ers will be in Myrtle Beach enjoying their HH on the Atlantic Ocean beach. To help kick off the PSC 80th anniversary, glasses will be raised in Pittsburgh as well as Myrtle Beach, and we will catch it all on iPhones. So, join your PSC friends. ***PSC Happy Hours are open to all members and non-members so bring a friend or two.***
