Join your friends to play a game of bocce. Today, bocce is enjoyed by millions in over 50 countries and is one of the fastest-growing social sports in America. **We hope to have 2 teams of 4-6 people (8 or 12 people) on the court but we may be able to reserve a second court if there is enough interest.** So, if you play bocci on the beach at Myrtle, here's your chance to play on an indoor court. The Bocce House features 6 bocce ball courts as well as a Café -- a restaurant and full-service bar which features 32 self-pour wine taps and 8 self-pour beer taps. So, we can enjoy some delicious food and drinks prior to playing Bocce. **FYI:** A video explaining the game can be found at <https://www.wikihow.com/Play-Bocce-Ball>
