Come join PSC for a **FREE** concert in the amphitheater featuring the **Black Dog Hollow** (a 5-piece band that plays a diverse mix of new and old classic rock, dance, blues and country). They keep the audience smiling, dancing and partying. Bring your lawn chair/blanket and have a picnic dinner /snacks on the hillside while listening to some great music! You can bring your own food and refreshments ~ or purchase from the food trucks and craft beer/wine vendors that will be there. ***We'll probably be sitting down closer to the stage.***
